### **What Others Said**

#### **Testimony 1. Ben S**

*“At first I was attracted by the friendship and wonderful music. Then I learned more from each session and the whole program. My relation with my wife has become stronger as we took our faith journey together. Reading the bible and sharing His words deepen our faith and relationship with God and to each other. I recommend this mission to all couples; it is a wonderful experience, too good to miss.”*

#### **Testimony 2. Art J**

*“I attended because I wanted to grow in my faith. I learned many things especially in the talks given; the love and welcome I received every time from the others was great. I recommend it because it will change anyone’s life to be better. There is love and support in the community.”*

#### **Testimony 3. Sel R.**

*“I attended and stayed until the mission was finished because every time we went, as if I wanted to hear more and find more about my maker, my God and becoming aware of being an authentic Christian.*

*I recommend this mission to any Christian or someone who is searching for a Christian community because this is a good start for a better life.”*

#### **Testimony 4. Edgar R.**

*“I wanted to find out what good may it brings. I stay because I found it very good- specially that we are looking for a spiritual community I got a lot of things out of it which I cannot compare to the other missions/seminar.*

*I have to recommend it to others because I experienced a lot of good things and it changes my life a lot..”*

#### **Testimony 5: Dorothy P**

*“I learnt so much from each session and felt a deep joy and anticipation to attend each session.*

*Each talk was exciting and interesting, and all the speakers were ordinary Christians just like me. A renewed spirit of joy and enthusiasm and confidence in life. I came to see Jesus in a new light and felt His great love for me. I also discovered the gifts of the Holy Spirit that I can use to build up the Church in love.*

*To discover a new way of living and re-discover the living Christ and His personal love for me; a new joy of living and confidence in my life. Also a deeper prayer life and feeling God’s presence.”*

#### **Testimony 6: Linda G**

*“To see what they had to offer which could enhance my faith. Because I felt my spiritual needs were being met. Spiritual growth, new friendships a new way of life. I recommend it to anyone who is serious about committing time to our Lord, it will not be easy but the rewards, blessings received will go on endlessly.”*
